Can I use AI for this task?

Check the level on the task. No level? Ask your teacher first.

0

LEVEL 0

No AI

Your own work from start to finish. No AI tools at any stage.

1

LEVEL 1

AI to prepare

Use AI to explore the topic, get explanations or quiz yourself. Nothing AI-made goes into what you hand in.

2

LEVEL 2

AI to improve

Make your own version first. Then AI may give feedback or help with wording. Say what you used and how.

3

LEVEL 3

AI as part of the task

The task asks you to use AI. Show your prompts and judge what it gave you.

Always say what you used, and keep your prompts.
